

# Giving through online banking Bill Pay

St. John's Lutheran Church is now accepting contributions that are made through your bank's online banking bill payment services. For many that are homebound, elderly, traveling, out of the country, in the military, etc., this is an easy way to make your Church contributions. This is also a very convenient way for all members to make contributions, and at no cost in processing fees to the Church.

***Please note that most financial institutions will process a paper check on your behalf and mail it to us, please allow for the processing and mailing time (can take at least 7-10 days). This is especially important if you would like a donation posted at the end of the year.***

Here are the steps to follow:

1. Log in to your personal bank for online bill pay.
2. Add St. John's as a "payee" and complete the required information to have recurring or one-time payments sent directly to the church. In most cases it is best to setup as an individual and not a company so that you are only required to enter an address.
3. You control when, how much, and how it should be allocated. If you wish to split your donation, simply note it in the "memo" area. (Ex.: \$100 for Current, \$25 for Building, \$25 for Restoration)
4. Our address is:  
St. John's Lutheran Church  
1028 Church Street

If a phone number is required, it is: 610-395-5535
5. Each bank has a slightly different process so contact your bank for assistance if needed. Most banks provide this service free of charge, but also check to verify if there are any fees.
